

DGT 960

FOLDABLE POCKET TIMER

Timer

2

Includes Chess960 starting
positions generator

Product highlights

The DGT960 is a unique foldable game timer that fits in any pocket. It has move time and game time modes and includes modern bonus and delay options. The clock has a large display and optional buzzer. It is a typical DGT innovation that is both an accurate game timer and a position generator that creates random starting positions for Chess960.

Chess960 or Fischer Random Chess is an exciting form of chess that is officially recognized by the World Chess Federation FIDE. The DGT960 is a cleverly designed modern chess clock that brings extra excitement to any game. The perfect gift item for any chess player.
